## Summary

With over 3 years of experience as a Frontend Developer, I have successfully delivered more than 7 large-scale projects using Vue.js and TypeScript. Known for my strong logical and abstract reasoning abilities, and technical aptitude. Additionally, I have mentored 3 junior developers, helping them grow their skills and advance in their careers. I continually research new frontend technologies to stay current and enhance my skills.

## Technical Skills

- Languages & Frameworks: TypeScript, JavaScript, Vue.js (Option API, Composition API), Nuxt.js.
- Styling & UI Libraries: Tailwind, Element Plus, Bootstrap Vue, Core UI, Vuetify.
- Web Technologies: HTML5, CSS3, SASS, Vite, PWA, RESTful APIs.
- Libraries: Pinia, Vuex, Axios, Ofetch, Moment, Lodash, VueUse, I18n, ECharts, Chart.js, ApexCharts.

## Work Experience

### TritApp

Oct 2023 - Present

- Migrated 2 projects from Nuxt 2 (JavaScript) to Nuxt 3 (TypeScript), improving performance by 30% and enhancing overall efficiency ([more info](#)).
- Developed new features for migrated projects, enhancing functionality and user experience ([more info](#)).
- Managed 2 junior developers, assigning and overseeing their tasks, and providing guidance to help them through their tasks.
- Created 2 new web applications using Nuxt (TypeScript), delivering robust and scalable solutions.
- Optimized website performance by implementing lazy loading, code splitting, and other performance enhancements, leading to a 30% decrease in load times.
- Collaborated with UX/UI designers to create interactive and user-friendly interfaces, resulting in a 15% increase in user satisfaction scores.

### Targoman Intelligent Processing

Sep 2021 - Oct 2023 · (2 years, 2 month)

- Engineered 3 multilanguage admin panels with Vue.js and TypeScript, employing Git submodule to maximize code reusability across the web application.
- Designed and implemented 2 landing pages, enhancing user engagement and overall website functionality.
- Streamlined development processes by leveraging reusable components, boosting efficiency and maintainability.
- Mentored 1 intern, providing training, support, and guidance to help them develop their skills and integrate into the team.

## Education

### Master's degree: RS & GIS

Shahid Beheshti University  
2019 - 2023

### Bachelor's degree: RS & GIS

University of Tabriz  
2016 - 2019
